Primary ANCSA Resources

ISER prepared this list of books, reports, and other resources on the Alaska Native Claims Settlement Act for the ANCSA @ 40 Committee. It is the most comprehensive such list we are aware of, but there are likely additional resources yet to be identified. Some of these resources are now out of print and may be available at used bookstores or at libraries. More recent publications can be obtained from the publishers or at bookstores. You can also find resources on websites, as noted in the citations.
