Letter from the Chancellor

Dear Faculty & Staff Members:

Passport '88 is a regional fundraising campaign aimed at enabling and encouraging Southeast residents to attend the UAS campuses. For the first time, we are aggressively pursuing our role in marketing the university and recruiting our student body. It is important for us all to recognize the important role a regional university plays in forging the future educational, economic, and cultural development of the area.

Passport '88 recognizes that each year many college students miss the higher education opportunity because they cannot afford to attend college. **Passport '88** also recognizes that Southeast Alaska Students are choosing to attend college outside of Alaska because financial aid is not available or because they aren't aware of the opportunities at a UAS campus.

Here's how you can help. I am asking you to become a part of the **Passport '88** drive to help make educational opportunities available to the people of Southeast Alaska. Your donation will do more than provide scholarship money; it will help build a strong, dynamic university which is central to Southeast - one in which you play an important role. With your support, UAS will stand as *the* smart choice for all people in this region.

I hope you will join with me, and the many other individuals and businesses who have made contributions, in making your pledge to **Passport '88** using the form on the back of this issue of Soundings. I would also like to take this opportunity to personally invite you to our **Passport '88** Spring Fling on April 30. "At the Hop" is a community fundraising event for **Passport '88** which is centered around a fifties sock hop theme. It's guaranteed fun. I hope to see you there.

Sincerely,

Marshall Lind
UAS Chancellor

Clapp Replaces Sackett On Board of Regents

Governor Cowper has announced the appointment of Marcus R. (Randy) Clapp of Fairbanks to the Board of Regents. Regent Clapp, whose term expires February 1, 1993, will fill the position previously held by John C. Sackett of Ruby.

Gifford Heads Student Services

Bruce Gifford will begin work on the Juneau campus as Assistant to the Chancellor for Student Services on April 10. He has been Director of Student Services at Ketchikan for the last three years. He will move to Juneau with his family July 1, when his position will become Regional Director of Student Services.

He said he is pleased to have the opportunity to work with the student services programs in all three campuses, and that "we have an outstanding staff and they're enthusiastic. The potential in Southeast given the restructuring is great and limited only by our creativeness and desire to make it work."

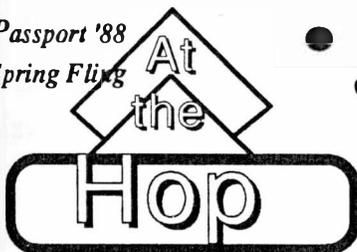

Moving with him this summer will be his family: his wife, Diana, their son Chris, 13, and daughter Shannon, 9. Diana has been a teacher in the Ketchikan School District and hopes to teach in Juneau.

Housing Manager Finalists

Four finalists out of seven applicants for the position of Student Housing Manager were on campus this week for interviews: Robert Summer

From the Personnel Office

The folks at the Personnel Office encourage all employees to review the benefit, tax, and beneficiary information in their personnel files. As changes occur, it is very important to update records. This is particularly important for those employees who recently took advantage of the open enrollment period to start, stop or
